Columbus Parks and Recreation Mission Statement

The mission of the Columbus Parks and Recreation Department is to enhance the quality of life for all citizens of this community by providing passive and active recreational, educational, and cultural programming services for all age groups. It is our objective to provide parks and recreation facilities that are safe, accessible, and aesthetically pleasing to the entire community.

Volunteer Program Mission Statement

The mission of the Columbus Parks and Recreation Volunteer Program is to actively have the participation of the citizens in the community and to enhance the quality of life for citizens and visitors by providing excellent parks, recreation, and leisure services.

Purpose of the Volunteer Program

The Volunteer Services Program seeks to provide a capable, trained, motivated, dependable voluntary work force, acceptable to staff, to augment the work of the staff. Volunteers enable the Parks and Recreation staff to provide the best possible service to the public.

Emphasis is placed on attracting the most qualified candidates and retaining them, thus capitalizing on efficient use of staff time required for training, supervising, as well as assuring continuity of workflow.

The program is instrumental in linking a valuable community resource - the citizens - with a valuable community institution - the Columbus Parks and Recreation Department - for the benefit, growth, and enrichment of both.

The volunteer program exists for the benefit of the Columbus Parks and Recreation Department and to facilitate achievement of the mission of Columbus Parks and Recreation in a mutually beneficial relationship.
Dear Volunteer,

I would like to welcome you to the volunteer program of the Columbus Parks and Recreation Department. We are excited about your interest in our Volunteer Program and hope you will enjoy being involved in our community. The opportunities are endless for you to assist us in the delivery of Parks and Recreation programs to all Columbus citizens. Committed volunteers increase the quality of our programs and represent a willingness to improve our community now and in the future. Volunteers are a key to the success of many park programs. You have chosen to help us by donating your time and skills to the Columbus Parks and Recreation Department. We value your offer of support and will endeavour to make your time with us both challenging and rewarding. Without the support of our volunteers, the Parks and Recreation Department would not be as well regarded or effective as it is. This handbook will hopefully make you knowledgeable about the Parks and Recreation Department and answer most of the questions you may have concerning our department.

Again, I would like to thank you.

Sincerely,

Holli Browder
Parks and Recreation Director

What is a volunteer?

A volunteer is anyone who without compensation or expectation of compensation beyond reimbursement performs a task at the direction of and on behalf of an agency. A volunteer must be officially accepted and enrolled by the agency prior to performance of the task.

Volunteer Rights and Responsibilities:

Some of the many assets when volunteering are:

• To do meaningful and satisfying work.
• To be carefully assigned to projects which meet your interests and needs.
• To be oriented to the agency – its mission, goals, staff, activities, and policies.
• To be trained appropriately for your work.
• To receive supervision and guidance throughout your community service experience.
• To show initiative and leadership.
• To voice your opinion and have input into program planning and implementation.
• To be treated as a co-worker.
• To have your service hours documented (certificate or letter) upon request.

As a volunteer you have the right to:

• To do meaningful and satisfying work.
• To be carefully assigned to projects which meet your interests and needs.
• To be oriented to the agency – its mission, goals, staff, activities, and policies.
• To be trained appropriately for your work.
• To receive supervision and guidance throughout your community service experience.
• To show initiative and leadership.
• To voice your opinion and have input into program planning and implementation.
• To be treated as a co-worker.
• To have your service hours documented (certificate or letter) upon request.
Working Environment

Columbus Parks and Recreation endeavors to promote a comfortable and productive working environment for all volunteers. In keeping with this policy, sexual, racial, religious, ethnic, or other kinds of harassment of volunteers is a violation of Parks and Recreation policy and will not be tolerated. We expect volunteers to treat each other, those we work with, and Parks and Recreation staff with respect. Please let us know if you experience any difficulties.

All volunteer policies are administered without discrimination on the basis of race, color, religion, sex, national origin, age, disability, marital status, or sexual orientation.

Age Policy

Volunteers who have not reached the age of 18 must have written consent of a parent or legal guardian before being assigned to any volunteer services. Students volunteering for service learning credit hours for their high school must submit their high school name and contact information before being assigned to any volunteer services.

Dress Code

You are a representative of Columbus Parks and Recreation; therefore, you are responsible for presenting a good professional presentation. All volunteers shall dress, behave, and use appropriate language for the conditions and performance of their duties.

Insurance/Liability

Volunteers will indemnify and save harmless the City; its officers, agents and employees from and against any and all loss, cost, damages, expenses and liability of any kind and description caused by accident or other occurrence resulting in bodily injury, including death, sickness, and disease to any person arising directly or indirectly form service to Parks and Recreation as a volunteer.

Volunteer Hours

When you arrive, document the time you arrived by signing-in and when you are done for the day sign-out so that we can keep track of your volunteer hours. Please ask your supervisor what procedure you are to use as it varies from program to program.

Absenteeism
Volunteers are expected to show up for their scheduled shifts on time. A volunteer is expected to inform his/her program supervisor in advance if they are going to be absent from a scheduled shift.

Dismissal of a Volunteer

Dismissal of a volunteer is a serious consideration. In an effort to reach a resolution a meeting between staff, the volunteer, and the Director of Parks and Recreation will occur before dismissal. Dismissal of a volunteer may take place if a volunteer is unreliable, irresponsible, disruptive, demonstrating inappropriate behavior, or failing to adhere to the policies and procedures of Parks and Recreation and its programs.

Volunteer Recognition

An annual volunteer recognition event will be held to highlight and reward the contributions of volunteers to the City of Columbus Parks and Recreation Department.

Resignation

Volunteers may resign from their volunteer services at any time. It is requested that volunteers who intend to resign provide advanced notice of their departure along with their departure date and a reason for their decision.

Smoking

It is the policy of the Parks and Recreation to have and provide a smoke-free, healthy, and safe work environment. Therefore, smoking is prohibited in Parks and Recreation facilities. Volunteers who smoke must do so only in designated smoking areas.

Drug Free Workplace

Parks and Recreation is committed to providing an environment that is safe. Staff and volunteers are role models for persons using the program’s services. Parks and Recreation endorses the philosophy that the workplace should be free from the detrimental effects of alcohol and/or illegal drugs. There will be no differentiation between someone who illegally uses drugs and someone who sells or distributes drugs. Being under the influence of alcohol and/or drugs is prohibited and is cause for disciplinary action, up to and including termination.

Solicitation
Volunteers may not solicit or distribute literature during work hours.

**Sexual Harassment**

No volunteer should experience unwelcome sexual suggestions from any employee or volunteer. Any incidents of this nature should be reported immediately to the Employment Coordinator/EEOC Counselor.

**Criminal Background Check**

It is the policy of Columbus Parks and Recreation Department that all volunteers who provide direct service undergo a background check. Direct service is defined as leading activity programs, providing instruction, supporting special events, leading trips and tours and/or facilitating the involvement of participants. A volunteer will be fingerprinted and undergo a background check. A satisfactory result is required before the volunteer can begin an assignment. All volunteers will be drug-tested. A current photo ID is required from all volunteer applicants.

**Confidentiality**

Volunteers are responsible for maintaining confidentiality of all confidential or privileged information and documents to which they have access while serving as volunteers. Volunteers will not be placed in situations where they may have access to confidential personnel and/or financial records.

**RSVP Volunteer Information**

**Grievance procedure:**

If a volunteer is unsatisfied with any action of an agency to which he or she is assigned, including involuntary separation from service, he or she may meet with RSVP staff (and agency staff as needed) to clarify reasons, resolve conflicts, or find an alternate assignment.

If a volunteer disagrees with any action of the RSVP office, he or she may appeal to the RSVP Director in writing within 30 days, stating his or her reasons. If the volunteer is unsatisfied with the RSVP Director’s response, the volunteer may bring that concern to the Chair of the RSVP Advisory Council within 30 days, for discussion and direction by the Council. The volunteer will receive a written response from the RSVP Advisory Council within 60 days outlining the Council's findings and any remedial actions taken.

NON-CRIMINAL JUSTICE APPLICANT’S PRIVACY RIGHTS

As an applicant that is the subject of a Georgia only or a Georgia and Federal Bureau of Investigation (FBI) national fingerprint/biometric-based criminal history record check for a non-criminal justice purpose (such as an application for a job or license, immigration or naturalization, security clearance, or adoption), you have certain rights which are discussed below.

• You must be provided written notification that your fingerprints/biometrics will be used to check the criminal history records maintained by the Georgia Crime Information Center (GCIC) and the FBI, when a federal record check is so authorized.
• If your fingerprints/biometrics are used to conduct a FBI national criminal history check, you are provided a copy of the Privacy Act Statement that would normally appear on the FBI fingerprint card.
• If you have a criminal history record, the agency making a determination of your suitability for the job, license, or other benefit must provide you the opportunity to complete or challenge the accuracy of the information in the record.
• The agency must advise you of the procedures for changing, correcting, or updating your criminal history record as set forth in Title 28, Code of Federal Regulations (CFR), Section 16.34.
• If you have a Georgia or FBI criminal history record, you should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before the agency denies you the job, license or other benefit based on information in the criminal history record.
• In the event an adverse employment or licensing decision is made, you must be informed of all information pertinent to that decision to include the contents of the record and the effect the record had upon the decision. Failure to provide all such information to the person subject to the adverse decision shall be a misdemeanor [O.C.G.A. § 35-3-34(b) and §35-3-35(b)].

You have the right to expect the agency receiving the results of the criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of state and/or federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.

If the employment/licensing agency policy permits, the agency may provide you with a copy of your Georgia or FBI criminal history record for review and possible challenge. If agency policy does not permit it to provide you a copy of the record, information regarding how to obtain a copy of your Georgia, FBI or other state criminal history may be obtained at the GBI website (http://gbi.georgia.gov/obtaining-criminal-history-record-information).

If you decide to challenge the accuracy or completeness of your Georgia or FBI criminal history record, you should send your challenge to the agency that contributed the questioned information. Alternatively, you may send your challenge directly to GCIC provided the disputed arrest occurred in Georgia. Instructions to dispute the accuracy of your criminal history can be obtained at the GBI website (http://gbi.georgia.gov/obtaining-criminal-history-record-information).
